Action Taken Report on Student's Feedback 2018-2019

On the basis of the student's feedback report on various parameters like the cover of entire syllabus, effectiveness of teachers in terms of different aspects, contents of curricular and lab facilities. The institution decided to conduct industrial visits for the students in the upcoming time interval. In order to make classes more interactive, teachers would further enhance their teaching learning pedagogy techniques. All the faculty members agreed on further enhancement of their ICT tools and expertise. Teachers will engage students in research projects, field surveys and various outreach programs.

Action Taken Report on Teachers Feedback 2018-2019

The feedback addressed issues like suitability the course and its need base, outcomes of the curriculum, library facility, research facilities, infrastructural facilities, availability of reference materials in terms with curriculum, etc. The college administration was intimated about the feedback. Necessary initiatives were taken to purchase of books for the library. Teachers took extra classes and remedial classes to address the issues. All the faculty members were told to organise special lectures to enhance the learning processes. The teachers arranged the research talks which were delivered by the faculty members of different departments on topic beyond the curriculum. These were open to all the students. This would encourage greater interdisciplinary interaction of the students from different streams. It would also enhance research initiatives. Formal instruction where circulated to all the departments through college administration for addressing the issues suggested by the teachers through feedback.

Action Taken Report on Parent's Feedback 2018-2019

On the basis of feedback collected from parents, each department were suggested to organize talks by the industrial and academic experts. Guest lectures and seminars to be conducted wherein students get the opportunity to learn from the subject experts. In order to provide individualized care and support to each student, especially the weaker students, college administration made mentor for each class who is responsible till the student will pass out. Mentors specially take care of weak students and provides extra care to them.
