**Title:** "Green Initiative": Plantation Programme Report

**Organizing Agency:** National Service Scheme Unit

**Date:** 27.07.2019

**Location:** Azad Ward, Mandla

**Number of Participants:** 44

### **Objective:**

To conduct a comprehensive plantation programme in Azad Ward, promoting environmental sustainability and beautification.

### **Programme Highlights:**

- Planting of 50 trees and saplings of diverse species.
- Participation from students, faculty and staff.
- Inauguration of an herbal garden and a biodiversity park.
- Distribution of tree saplings to participants for further plantation.

### **Participant Feedback:**

- "I'm thrilled to have contributed to making our campus greener!"
- "The programme taught me about the importance of trees in combating climate change."
- "I'll take care of the sapling and encourage others to do the same."

### **Outcomes:**

- Enhanced green cover and beautification of the campus
- Increased awareness about environmental conservation and sustainability
- Community engagement and ownership of the green initiative
- Establishment of a sustainable ecosystem

### Recommendations:

- Conduct regular follow-up sessions for tree care and maintenance
- Integrate environmental education into the college curriculum
- Collaborate with local organizations to expand the green initiative

The "Green Campus Initiative" plantation programme was a resounding success, fostering environmental stewardship and community engagement. By continuing to nurture and expand this initiative, we can create a sustainable and eco-friendly campus for future generations.
