Title: "Green Initiative": Plantation Programme Report

Organizing Agency: National Service Scheme Unit

Date: 21.08.2021

Location: Azad Ward, Mandla

Number of Participants: 20

Objective:

To conduct a plantation programme in the college campus, promoting environmental sustainability, conserving natural resources, and beautifying the surroundings.

Programme Highlights:

- Planting of 28 trees and saplings of diverse species
- Participation from students, faculty and staff
- Awareness sessions on environmental conservation and sustainability
- Distribution of tree care and maintenance guidelines

Participant Feedback:

- "The plantation programme was a great way to give back to our campus!"
- "I learned about the importance of trees in combating climate change!"
- "This initiative inspired me to take care of our campus environment!"

Outcomes:

- Enhanced green cover and beautification of the campus
- Increased awareness about environmental conservation and sustainability
- Community engagement and ownership of the green initiative
- Contribution to combating climate change and air pollution

Recommendations:

- Conduct regular follow-up sessions for tree care and maintenance
- Organize workshops on environmental conservation and sustainability
- Collaborate with local authorities to expand the green initiative

Conclusion:

The "Green Campus Initiative" plantation programme was a successful event, promoting environmental sustainability and community engagement. By continuing to prioritize green initiatives, we can create a cleaner, greener and healthier campus environment.
