## Report

#### Title of the Workshop: One Day Workshop on "Organic Farming"

The Department of Economics of Government Jagannath Munnalal Choudhury Mahila Mahavidyalaya, Mandla, Madhya Pradesh organised a one-day workshop on "Organic Farming" on 08.03.2022 in collaboration with Internal Quality Assurance Cell.

The workshop started with the inaugural statements of patron of the institution Dr S.N. Khare in which he welcomed all the participants to attend the workshop and shared the ideas of setting up local industries related with organic farming.

Further Dr. Pradeep Kumar Soni explained the facts of the workshop as follows:

The workshop on Organic Farming was conducted to promote sustainable agricultural practices and raise awareness about the benefits of organic farming. The event brought together farmers, agricultural experts, and enthusiasts to share knowledge and experiences.

#### **Objectives:**

- Understand the principles and benefits of organic farming
- Learn practical techniques for implementing organic farming methods
- Explore innovative approaches to sustainable agriculture
- Foster a community of like-minded individuals promoting eco-friendly practices

#### Workshop Overview:

- Expert speakers delivered presentations on organic farming principles, soil management, and crop rotation
- Hands-on sessions covered composting, natural pest control, and organic fertilizer preparation
- Group discussions and Q&A sessions facilitated knowledge sharing and networking

#### **Key Takeaways:**

- Organic farming promotes soil health, biodiversity, and ecosystem balance
- Natural methods can effectively control pests and diseases
- Composting and organic fertilizers enhance soil fertility and structure
- Crop rotation and intercropping improve yields and reduce dependencies

#### **Outcomes:**

- Participants gained practical knowledge and skills in organic farming techniques
- Networking opportunities fostered collaborations and knowledge sharing
- Inspiration to adopt sustainable practices and promote eco-friendly agriculture

The Organic Farming workshop was a success, empowering participants with knowledge and skills to adopt sustainable agricultural practices. By promoting organic farming, we can contribute to a healthier environment, improved food security and thriving ecosystems.

At the end of the workshop the best wishes were given by the coordinator Dr. Aradhna Dubey and the patron of the Institution Dr. S.N. Khare and the certificates were distributed among the 58 participants.
