# Report

**Title of the Activity:** Greening the Environment: Plantation Programme

**Date:** 28.07.2018

**Location:** Azad Ward, Mandla

**Number of Participants:** 42

The National Service Scheme Unit of Government Jagannath Munnalal Choudhary Mahila Mahavidyalaya, Mandla, Madhya Pradesh organised a plantation programme at Azad Ward, Mandla in collaboration with Internal Quality Assurance Cell.

**Objective:**

To conduct a comprehensive plantation programme at Azad Ward, Mandla, promoting environmental sustainability and beautification.

**Programme Highlights:**

- Planting of 50 trees and saplings of various species
- Involvement of students, faculty and staff in the planting process
- Emphasis on native species and plants with medicinal properties
- Creation of a green belt around the campus perimeter

**Achievements:**

- Enhanced aesthetic appeal of the campus
- Improved air quality and oxygenation
- Increased biodiversity and habitat creation
- Raised awareness about environmental conservation and sustainability

**Participant Feedback:**

- "I'm thrilled to have contributed to making our campus greener and more beautiful."
- "The programme taught me about the importance of afforestation and conservation."
- "I look forward to seeing the plants grow and flourish."

**Recommendations:**

- Establish a regular maintenance schedule for the planted trees
- Encourage student-led initiatives for campus sustainability
- Explore opportunities for collaborations with environmental organizations

The plantation programme was a successful initiative, fostering a sense of community and environmental responsibility among participants. By greening our campus, we can create a healthier, more sustainable environment for all.

Just after the plantation programme, a pledge was taken by all the participants to plant at least a sapling in their locality every year and make the environment greener and more stable.
