Report

Title: Report on Awareness Programme on "Female Foeticide"

Date: 08/03/2022

Occasion: International Women's Day

Organized by: Internal Quality Assurance Cell

Organizer: Dr. Aradhna Dubey, Coordinator (Internal Quality Assurance Cell)

Number of Participants: 108

Objective: To raise awareness about female foeticide, its consequences, and the importance of gender equality.

Programme Highlights:

- Expert talk on female foeticide, its causes, and effects
- Documentary screening on the issue
- Panel discussion with experts and activists
- Interactive session on promoting gender equality

Participant Feedback:

- "The programme was thought-provoking and informative."
- "I gained valuable insights on the issue of female foeticide."
- "The panel discussion was enlightening and inspiring."

Outcomes:

- Increased awareness about female foeticide and its consequences
- Enhanced understanding of the importance of gender equality
- Empowerment and motivation to promote gender equality
- Networking opportunities among participants

Recommendations:

- Conduct regular awareness programmes on gender-related issues
- Invite experts and activists to share their experiences
- Encourage student participation and engagement

Conclusion:

The awareness programme on "Female Foeticide" was a success, educating and empowering participants to recognize and address the issue. The Internal Quality Assurance Cell looks forward to organizing more such events, fostering a culture of gender equality and inclusivity.
