Report

Title: Report on Blood Donation Programme

Date: 12.10.2021

Organized by: Govt. Jagannath Munnalal Choudhary Mahila Mahavidyalaya,
Mandla, M.P.

Number of Volunteers: 06

Objective:

To organize a blood donation programme, promoting voluntary blood donation and addressing the shortage of blood in medical facilities.

Programme Highlights:

- Inaugural address by Dr. S.N. Khare, Principal, highlighting the importance of blood donation
- Registration and medical screening of volunteer donors
- Blood donation process conducted by Dr. D.K. Dhurvey, Medical Officer, and team
- Distribution of certificates and refreshments to donor volunteers
- Awareness campaign on the significance of blood donation and its benefits

Donor Details:

- Total number of volunteers: 06

Feedback:

- "I feel proud to have donated blood and contribute to saving lives."- Ms. Sapna Choudhary
- "The programme was well-organized, and I appreciate the efforts of the college."- Ms. Anjali Prajapati

Outcomes:

- Collection of [Number] blood units, benefiting patients in need
- Raised awareness about the importance of voluntary blood donation
- Encouraged students and staff to participate in future blood donation programmes
- Strengthened collaboration with local medical facilities and blood banks

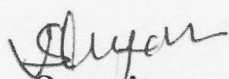

Recommendations:

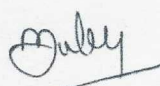

- Organize regular blood donation programmes to maintain a steady supply of blood
- Increase awareness and promote the programme among students, staff, and the community
- Recognize and reward repeat donors to encourage continued participation

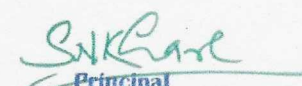

Conclusion:

The blood donation programme was a successful initiative, promoting voluntary blood donation and contributing to the noble cause of saving lives. The college looks forward to organizing more such programmes, fostering a culture of social responsibility and community service.
