Report

Title: Report on Special Lecture: "Coping with Changing Trends in Technologies"

Date: 15.07.2021

Organized by: Dr. Pradeep Kumar Soni, Faculty Member, Department of Economics

Number of Participants: 36

Objective: To equip students with skills to adapt to rapidly changing technological trends.

Lecture Highlights:

- Overview of emerging technologies and their impact
- Strategies for staying updated with latest technological advancements
- Effective ways to incorporate technology in daily life and studies
- Discussion on the role of technology in shaping future careers

Participant Feedback:

- "The lecture was informative and helpful in understanding technological changes."
- "I gained valuable insights on how to stay updated with latest technologies."
- "The discussion on future careers was inspiring and thought-provoking."

Outcomes:

- Increased awareness about emerging technologies and their impact
- Enhanced understanding of strategies to adapt to technological changes
- Empowerment and motivation to incorporate technology in daily life and studies

- Networking opportunities among participants

Recommendations:

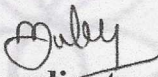

- Conduct regular lectures and workshops on technological advancements
- Invite experts to share their experiences and insights
- Encourage student participation and engagement

Conclusion:

The special lecture on "Coping with Changing Trends in Technologies" was a success, empowering students to adapt to rapidly changing technological trends. Dr. Pradeep Kumar Soni and the Department of Economics look forward to organizing more such events, fostering a culture of innovation and technological awareness.
