## Short- and Long-Term Plans of the Institution

### **Short-term plans (2024-2025):**

- 1. Improve Infrastructure:** Upgrade classrooms, library, and IT facilities.
- 2. Enhance Faculty Development:** Provide training and workshops for faculty members.
- 3. Introduce New Courses:** Offer relevant and industry-aligned undergraduate programs.
- 4. Strengthen Industry Connections:** Establish partnerships for internships, placements, and guest lectures.
- 5. Promote Extracurricular Activities:** Encourage participation in sports, cultural events, and clubs.

### **Long-term plans (2025-2030):**

- 1. Expand Programs:** Introduce postgraduate and research programs.
- 2. Establish Research Centers:** Create centers for interdisciplinary research and innovation.
- 3. Foster National Level Collaborations:** Develop partnerships with national level institutions for student exchange and faculty development.
- 4. Enhance Digital Infrastructure:** Implement digital tools and platforms for teaching, learning and administration.
- 5. Increase Student Capacity:** Expand enrollment while maintaining quality and diversity.
- 6. Develop Entrepreneurship Programs:** Encourage innovation and entrepreneurship among students.

**7. Strengthen Alumni Network:** Establish a robust alumni association for mentorship and support.

These plans aim to enhance the institution's academic quality, infrastructure, and reputation, ultimately benefiting the students and contributing to their overall growth and development.
